

## Establishing a New 'Canes Community

### OVERVIEW

The UM Alumni Association has developed a thorough process for establishing a new 'Canes Community for the purposes of evaluating long term sustainability for a potential new 'Canes Community.

### PREREQUISITES FOR ESTABLISHING A NEW 'CANES COMMUNITY

- The geographic area must have a sustainable local University of Miami alumni population of at least 1,000 alumni with e-mail addresses to support 'Canes Community events and programs.
- At least one alumnus/alumna from the University of Miami who lives in the geographic area full time must be identified to lead the process of establishing a new 'Canes Community and serve as a local contact for the UM Alumni Association.

**Important: The evaluation of prerequisites for establishing a new 'Canes Community is at the discretion of the UM Alumni Association and is subject to change.**
