

**Darren Dupriest, B.B.A. '91**

Founder & CEO, Validity Screening Solutions

Darren Dupriest is the founder and CEO of Validity Screening Solutions, an enterprise technology company specializing in background screening, substance abuse testing, and occupational health services.

Since graduating with a B.B.A. in finance in 1991, Dupriest has been actively involved with the University of Miami. As the naming donor of the Ibis Yearbook editor-in-chief's office, he paid tribute to his two years in that position as an undergraduate. His most recent commitment named the "Dupriest Family Residential Lobby" in the Lakeside Village.

Dupriest, who has served on the Alumni Association Board of Directors since 2016, was tapped into Iron Arrow and the Order of Omega in 1989.

He has served as a national board member of the Lambda Chi Alpha Fraternity's Educational Foundation. Committed to youth education and wellness, Dupriest has served in executive board positions with the Museum of Prairiefire, the Blue Valley Educational Foundation, and the Blue Valley Recreation Commission. Professionally, he is a founding member of the Professional Background Screeners Association (PBSA).

The eldest of his four sons, Reagan, is a 2023 graduate of the Rosenstiel School of Marine, Atmospheric, and Earth Science and is currently seeking a Master of Science in Leadership at the Patti and Allan Herbert Business School.
