Chair of Programming

Samuel H. (Sandy) Goldstein is the founder and chief executive officer of Capsicum Group, LLC. Capsicum provides comprehensive support in the areas of digital forensics and investigations, electronic and paper discovery, data and tape recovery, cybersecurity, and compliance. Goldstein often writes and speaks on such topics as e-discovery, computer forensics, and advanced

technologies and strategies.

Before starting Capsicum Group, Goldstein served as senior vice president and chief information officer of the largest retail distributor of packaged gas and industrial goods in North America. Prior to that, he worked for 12 years as a consultant in public accounting.

Besides a deep commitment to his clients, Goldstein is a devoted family man and patron of his alma mater. He serves on the President's Council and the University of Miami Patti and Allan Herbert Business School Board of Advisors; is past chairman of the Board of Advisors for the Entrepreneurship Program; and was instrumental in starting Miami Herbert's annual Business Plan Competition.
